Portland Trail Blazer's Jusuf Nurkic and fiancé Emina Duric scored a pre-construction Yupix virtual tour of the country's hottest real estate project, **E11EVEN Residences Beyond**, led by the property's co-owner and long-time friend, Marc Roberts. They were joined by Sebastian Wagner and financial advisor Gary Scharf.

“That was awesome! I think it was great – the experience was so real it made me just want to stay there,” said Nurkic. When asked if he would consider purchasing based on this tour, the Trail Blazer revealed he had already purchased in Tower One and was ready to make a play for Tower Two’s remaining penthouse.
