

Giselle Is E11even's New Swanky Rooftop Restaurant

As if E11even couldn't get any cooler - it just did.

Giselle Miami is the club's newest venture into creating an ultra-exclusive rooftop restaurant and lounge.

To enter the restaurant, guests have to take a private elevator up to the rooftop restaurant,

Giselle is an experimental restaurant, as it merges Asian, Mediterranean, and French cuisines.

Menu highlights include dishes like truffle toast, pork ribs, Chilean sea bass, filet mignon, and a flaming lobster thermidor. A six-course tasting menu is also available for those who can't decide. Yum!

Giselle is located at 15 NE 11 Street in Miami. It's open Wednesday to Sunday, from 6pm until "late." For reservations, click [here](#).
